Latent Print Examination Report

Seattle Division Office
300 5th Avenue
Suite 1300
Seattle, WA 98104

Case Number: RE-16-0157
LIMS Number: 2016-SFL7-03447

Examination Requested: Supplemental Request

Exhibit Number: 1

Description of Evidence

(10) plastic wrap, black tape and heat seal freezer bag packaging, (2) plastic wrap, tan tape and heat seal freezer bag packaging, (1) large black plastic trash bag, (2) black plastic shopping bags

Comparison Information: Known print standards and/or identifying information for

Last Name	First Name	FBI #	SID #	Source	Media
CASILLAS-CARRILLO	JESE	755750JC7	N/A	Agent Communication	10 Print Card
DUARTE	FRANCISCO	411662FB6	N/A	Agent Communication	10 Print Card

Examination Results and Conclusions:

Supplemental report to reflect additional comparison requests.

The remaining latent fingerprint from the black tape packaging in Exhibit 1 was compared to the known fingerprint cards of the listed subjects.

The latent fingerprint was not identified with the known fingerprint cards of the listed subjects.

An AFIS evaluation of the latent print previously revealed it was suitable for AFIS processing. Further AFIS examination will be performed in the DHS database.

The known prints of the above listed subjects will be retained in the laboratory case file.

Refer to original Latent Print Examination Report dated 10/14/2016.
